

## NOTICE TO COSIGNER

You are being asked to guarantee this lease. Think carefully before you do. If the lessee doesn't pay, you will have to. Be sure you can afford to pay if you have to, and that you want to accept this responsibility.

You may have to pay up to the full amount owed on the lease if the lessee does not pay. You may also have to pay late fees or collection costs, which increase this amount.

The creditor can collect on this lease from you without first trying to collect from the lessee. The creditor can use the same collection methods against you that can be used against the lessee, such as suing you, garnishing your wages, etc. If this debt is ever in default, that fact may become part of *your* credit record.

This notice is not the contract which makes you liable for the debt.

I have received a copy of this notice.
